

Covid-19 Protocols On Campus

1. Stay home if you are experiencing the following symptoms: *cough, fever, shortness of breath, loss of taste or smell, body aches or diarrhea.*

2. Contact the health hotlines on 232 9444 or 333 0911 if you are experiencing symptoms or signs of COVID-19.
3. Enter the compound with a face mask.

4. Take a temperature test at the entrance.

5. Wash your hands frequently for 30 sec. with soap and water or use alcohol-based hand sanitizer.

6. Practise social distancing at all times. Keep 6 feet from other persons.

7. Use face coverings when in public (must cover mouth and nose).
8. Cover your coughs and sneezes. Use your elbow or a tissue, which should be properly disposed of.

COVID-19 Tips**

Dear Pastor & Church Members,

As a school we believe we are called to work with the church in maintaining set COVID - 19 standards that will allow us to keep this entity accessible to all involved.

Thus, we recommend the follow as key approaches to good sanitation and prevention protocols; when using the premises.

Continue to protect yourself and others by:

- Staying home if you are experiencing the following symptoms: cough, fever, shortness of breath, loss of taste or smell, body aches or diarrhea.
- Contacting the health hotlines on 232 9444 or 333 0911 if you are experiencing symptoms or signs of COVID-19.
- Washing your hands frequently with soap and water or using alcohol-based hand sanitizer.
- Practicing social distancing at all times - keeping 6 feet from other persons.

- Using clean face coverings when in public (must cover mouth and nose).
- Covering your coughs and sneezes (use your elbow or a tissue which should be properly disposed of).
- Keeping frequently touched surfaces clean e.g. tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets and sinks.
- Protecting those who are vulnerable in the community such as the elderly or those with underlying health conditions.
- Not discriminating against persons who have or are suspected of having COVID-19.
